READ IT TODAY!

Hello Lovelies!

Just by opening this email, you're entered for a chance to win a BROKEN paperback, swag pack and bookplate as well as a \$25 gift card in my book store or my merch store!

It's finally here - release day!

And, this time, what I'm bringing to your kindles is a little dark, and a lot taboo.

BROKEN might not be for everyone, with its sensitive themes, but the love story between *Andrea* and *Savio* is one for the ages.

See, originally, BROKEN was titled *The Vows We Break*. But I wanted to not only

bring it to audio (yes, it will be coming to audio. It's in the booth as we speak. I cannot wait for you to discover who the narrators are!!) but I also wanted to give it some love.

That's how BROKEN came to be. Because instead of polishing it, I completely rewrote it. In the foreword, I actually admit that I wasn't ready for Andrea and Savio's story. But boy, was I ready this year! Something about them, about their history, about their present and their future has always snagged a hold on my heart and now, I'm so proud of what BROKEN has become.

It is how it always should have been.

You can read the short prologue and Chapter 1 right here. <3

Prologue: Andrea

"I've needed you for so long, and now you're here." I let my arms slip around his neck. "I'll be everything you need."

Partner - **check**.

Wife - **check**.

Accomplice - **check**.

At my vow, his dick hardens against my belly.

"Everything?" he rasps, looking at me like a kid who's just learned Christmas comes with gifts.

"Yes," I promise with all the crazy, fucked-up love I'm capable of.

Last night, Father Martin didn't know me.

Today, he made love to me.

Tonight?
We'll slay a monster and complete our unholy trinity.
But first...

I can't wait to hear what you think!
