## A little taste of the sweetness that are Star and Conor...

### Hello Lovelies!

Time is going by so fast... December is halfway gone and pretty soon we will be ringing in the new year!

Because you are being so patient with Conor, Star, and I, I thought I'd give you

a little nibble... A little taste of what is to come in Filthy Lies...

Are you ready?

## ***Chapter 1 - Filthy Lies***

### **Past**

#### **Text chat**

**Conor:** When did you know that you were good at coding?

**Star:** When I was a teenager.

**Conor:** What happened?

**Star:** Managed to change the password on the alarm system that protected the family house.

**Conor:** Why? To cause trouble?

**Star:** Nah. I was pretty well-behaved back then.

**Conor:** At least you recognize that you're not well-behaved now. Lol.

**Star:** :P

**Star:** Oh, I can recognize it and admit to choosing to veer from the path of righteousness...

**Conor:** Meaning that you were on a righteous path at one point?

**Star:** For sure. You don't enlist for shits and giggles. Surely Eoghan taught you that much.

**Conor:** I figured he wanted out of the Irish Mob lol and Uncle Sam wasn't as big of a pain in the ass as Da is.

**Star:** It amazes me how you all let him get away with the stunts he pulls.

**Conor:** He's our da. Don't have to like him to know he wants what's best for us.

**Star:** You genuinely believe that?

**Conor:** Most of the time.

**Star:** Do you love him?

**Conor:** I guess. It's not an easy love though.

**Star:** Meaning?

**Conor:** Meaning that it's a habit. We do as we're told. We go to church. We eat Sunday dinner at the compound.

**Conor:** It's like getting up and showering. You do it because you're supposed to.

**Star:** I rarely do what I'm supposed to.

**Conor:** Please tell me you at least shower?

**Star:** I prefer baths.

**Conor:** Good to know lol. Personal hygiene isn't an issue.

**Star:** Like it matters through a computer screen.

**Conor:** I don't consign you to a computer screen.

**Star:** Meaning?

**Conor:** You sure you want to go there?

**Star:** Go where?

**Conor:** You playing coy?

DON'T MAKE ME BY RENEE ROSE

## Don't Make Me

by Renee Rose

**HE'S FORBIDDEN TO TOUCH ME.**

I'm the Don's daughter. A mafia princess. He's my father's right-hand man.

When Carlo catches me taking my clothes off in a strip club, he wants to haul me into my father's office.

I suggest an alternative—one more pleasurable for both of us.

He can handle my punishment. Dominate me the way he's always wanted.

Take care of my needs and, most importantly, keep my secret.
