Happy New Year!
Goodbye 2024! Welcome 2025!

Serena/Gemma

Happy New Year, Lovelies!

It's always a strange time of the year, isn't it? Thinking about the past, worrying about the future, but hopefully, before we enter 2024, this will make you smile.

I asked Anne (one of the Tinkerbells on Team Serena/Gemma) who she wanted to hear from for this text chat, and she said the Quint gang.

It's been a LONG time since I've been in their minds but it was, as always, like coming home.

Some stories are just that for me. I can't believe I wrote their tale so long ago. Some of you might not even know who they are, but if you read FILTHY, and you noticed Aoife was reading a Why Choose romance... then I self-inserted one of my own books lol. Tacky? Maybe. But I just got a kick out of it, hehe.

Anyway, whether you know them or not, it should make you laugh. ;)

Much love to you all and I'll see you in the new year!

Much love!

Gem/Serena

xoxo

Devon: God, it feels like a lifetime since I've done this

Sawyer: Done what?

Devon: Texted you

Sawyer: What the hell are ye talking about? I talked to ye ten seconds ago

Devon: Ah, but I didn't text you
Devon: I yelled at you from across the room
Sawyer: Ye did
Sawyer: I'm still in the same room
Sawyer: So, why aren't ye yelling at me now?
Devon: Dunno.
Devon: Thought I'd text you
Sawyer: The question is why am I texting yer back?
Sascha: Dinner's ready
Sawyer: Yer over the other side of the room!
Sascha: Saw Devon texting you lol
Sascha: Thought I'd join in
Sawyer: God help me
Sean: Why are we using this text thread again?
Kurt: I hate texting
Sascha: I like it
Sascha: You don't text the kids enough
Kurt: I email them
Sascha: That's not what they want though, is it?
Devon: I text them every day
Sascha: Yes, I know. Jack told me yesterday you wouldn't stop texting him until he replied
Devon: Well, what's the point of instant messaging if it isn't instant?
Andrei: Jesus, what if he was on the toilet?

Find out if Jack was on the toilet here ;) <https://www.serenaakeroyd.com/qnye>
