BAD BOYS YOU WANT TO TAKE HOME

Hello Lovelies!

Next time I write to you, I will be back in the UK. In the meantime, I am soaking in as much of my Spain home as I can! But this time Mumsy and Trev (my Yorkshire terrier) are coming with, which means another adventure awaits... or so Anne, my EA, tells me, LOL. ;) But that means the Akeroyd family is going on a road trip and I am putting together my playlist for it! What are your go-to songs for road trips? I need your help! ;)

I've also been trying to get a hang of this Tiktok thing... Lots of trial and errors, but also a lot of fun! Are you following me on **TikTok**?

I am busy busy writing up a storm. Just finished my first draft of MaryCat and Digger's story, which you can pre order here :

I'm also hard at work getting your beloved Feckers together to finally sort their shit out! Do they ever have a lot of secrets... This one is so different from the other books in this series... Because everyone has something to say and like their typical Sunday dinner, they are enjoying talking over one another! I love writing them, they are like a comfy pair of old jeans that fit in all the right places. I can't wait for you all to read this one... And to hear your reactions!

SECRET EMPIRE by BRI BLACKWOOD

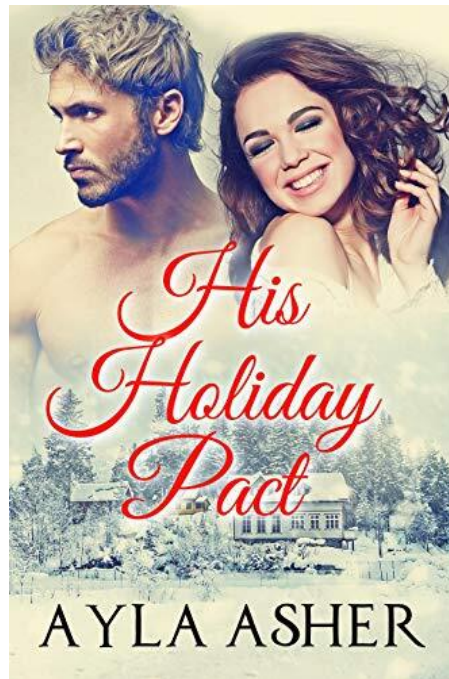

SECRET EMPIRE

Bri Blackwood

Forbidden moments and secrets...

I ran and hid in one of the biggest cities in the world.
It's the best place to remain anonymous if you try hard enough.
But that all comes crashing down when I spend the night with him.
My new boss.
I made a vow to never mention the night we spent together again.
He didn't know who I was and I preferred to keep it that way.
But when my past comes back to haunt me,
He is the only one who can help me fight the demons that curse me

Secret Empire is book five in the Broken Cross series. Themes in this dark and sexy series may not be suitable for all readers. Secret Empire is a standalone novel with a cliffhanger for the series but a HEA for our couple. You might want to read the first four books in the Broken Cross Series first. The series will continue with Stolen Empire.

SPARROW by Victoria Jayne

SPARROW

By Victoria Jayne

Regrets. She has a few.

Nothing went how Sparrow Malone planned. Her boyfriend didn't get clean. She didn't take the entrance exam, and the motorcycle club her father had been a part of is crumbling. To add insult to injury, Jacob didn't stay in Montana.

Screw him over once, shame on her. Do it twice, shame on him. Jacob gave up on Sparrow when he left without her two years ago. But Odin's Fury Motorcycle Club still had business in Ohio, which meant he did too.

The first time, it wasn't their fault. Their second chance didn't end well. While both swore never to repeat past mistakes, they can't help themselves.

With the two clubs merging into one, it's either going to be third time's a charm or three strikes and they're out.
