BAD BOYS YOU WANT TO TAKE HOME

Start reading *The DON* TODAY!

Hello Lovelies!

The day has come...

THE DON and THE LADY are both live and FREE to read on KU.

Squee!!

And really I couldn't be prouder! When I decided to expand to other factions in this universe, I was scared. I wondered if you guys would follow me down another rabbit hole--a Sicilian one at that! I mean we've been loving on the Irish for so long... could we embrace another organized crime family? And then Luciu made his way into my mind and The Valentinis were born!

And now? The first duet in this series is live! Yes, *first*... Because the second duet: **The Revelation**, is coming next year! Rory will have her story told and to find out with whom, you need to read The Lady! Yep, there's a massive clue in there. ;)

Pre Order The Revelation Duet here : **Book One** and **Book Two**

And since you guys loved it so much for The Don, I decided to do it again! So here is The Lady's giveaway!

I've sent the script over to Blue Nose Audio, for The Don and The Lady... Because YES! They are coming to audio, and much sooner than you think. ;) Just you wait until you see, or rather, *hear* the narrators. :P Watch this space for more information on that! <3

I hope you love Luciu and Jen's story. I hope that it ends exactly how you hoped, with a few twist and turns along the way, of course. But mostly, I hope that you can embrace the Sicilians.

Please, let me know what you thought. My email is always open to you guys. <3

All my love and gratitude for your support.

Serena

xoxo

## **The Oath Duet**

## The Don

Live NOW!

*Blood stains my hands, my soul, my heart, yet I'll shed more to keep her safe.*

A chance meeting brings Jen MacNeill into my life—the woman born to reign at my side.

*She just doesn't know it yet.*

How could my Lady be anything other than a silken promise taunting me with every breath she takes?

*A new Don reigns over Manhattan.*

But though I won the war, peace isn't easily brokered.

Over a decade of avenging my father's death, I made many enemies.

To each and every one, Jen's a target.

But I'll paint NYC red before I let them harm her.

I just never imagined I'd be in the line of fire first...

*A heart broken by grief can feel no guilt or shame with the brutality in which vengeance is delivered.*

This is the first part of 'The Oath' duet in The Valentini Family series.

*The LADY now LIVE! And FREE to read on KU!*

## The Lady

### Live NOW!

I've spent a lifetime avoiding the various factions of the mafia in NYC, yet somehow I'm in it up to my eyeballs.

I should be scared.

I should want to run.

Yet the city quivers in fear with every designer-clad footstep I take, because the Valentinis have ascended, and I'm the Don's Lady.

*It's intoxicating.*

However Luciu comes with vendettas and a craving for vengeance that could get him killed.

With my allegiance tied to the Irish, can I say yes when he wants me to take an oath to the Sicilians?

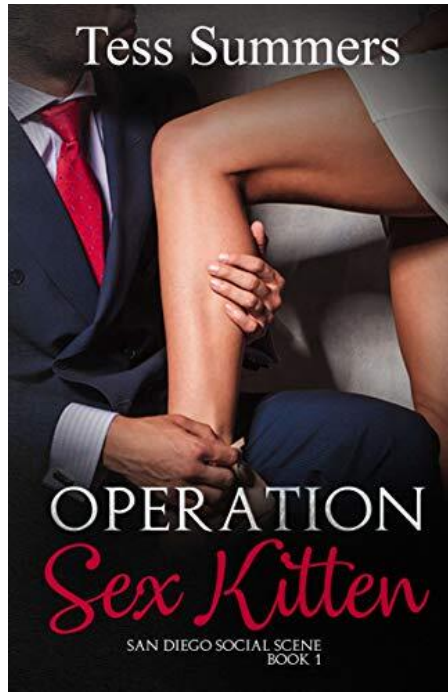

Is a happily-ever-after on the cards when the 'after' isn't even promised?

This is the second part of 'The Oath' duet in The Valentini Family series.

**THE DON** *must* be read first.

*OPERATION SEX KITTEN by Tess Summers*

### OPERATION SEX KITTEN

**By Tess Summers**

Becoming a sex kitten was supposed to be about losing her inhibitions, not her heart.

Ava Ericson thought she had her life planned out: graduate with her PhD, marry Brad Miller when he finished law school, have 2.5 babies... and mediocre sex for the rest of her days. But when Brad dumps her upon learning he's passed the bar, citing new "opportunities" available, she has to rethink her future. Believing her lack of experience was the reason Brad broke up with her, she launches Operation Sex Kitten (OSK), a plan to become a vixen in bed and get Brad back. Things might go astray when she meets the notorious attorney, Travis Sterling, the bachelor who she is sure can teach her a thing or two in the bedroom. As she enjoys putting OSK theories into practice, she realizes the real 'operation' will be for the two not to fall in love. Fun and romantic, Operation Sex Kitten turns up the heat with explicit scenes while you root for love to conquer all.

Kennedy Jones

I'm a special agent with the CIA, and I'm good at what I do. In fact, I'm considered one of the best. I can play the role of anyone and eliminating bad guys without them seeing me coming is my forte—which is why I was chosen to take down the head of the Guzman family.

Dante Guzman is a ruthless, sexy, cold-hearted cartel money-man. And now it's my job to study him, learn his likes and dislikes—in and out of the bedroom—so I can gain his trust and access to his uncle, the head of the Ensenada cartel.

I just didn't count on falling into Dante's clutches.

**Sometimes I lay awake at night wishing I had killed her from the beginning that I never took her into my bed, my home, and my life.**

A Sabatini may be a lot of things: an asshole, rude, ruthless, even a killer. But one thing we never are is sloppy, not with our money, not our business, and especially not with our bodies. Until the moment I got sloppy with the most dangerous thing I could: a woman.
